Name _____ Elapsed time (3.MD.A.1)

Movie Marathon

Read. Use a number line to solve. Complete the chart.

Each evening for a week, the Harding family watched a movie. Each movie they watched was certified by American Humane, which monitors how animals are treated in movies. If the Harding family watched the movies from start to finish with no breaks, what time did each movie end?

Search the movie reviews at https://humanehollywood.org/production to see which movies earned certification.
