Name _____ Word problem with three addends (1.OA.A.2)

Tiger Talk

There are so few tigers left in the world, they may become extinct someday.

Once there were 9 kinds of tigers. Now there are only 6 kinds!

Read. Solve two different ways.

Jan sees tigers at a zoo. She learns about tigers.
On Monday, she tells 5 friends about tigers.
On Tuesday, she tells 4 different friends about tigers.
On Wednesday, she tells 6 different friends about tigers.

How many friends does Jan tell in all?

My First Solution	My Second Solution

Answer Jan tells _____ friends in all about tigers.
