My Pledge to Our World's Animals

I believe that all animals deserve to be treated with respect and compassion.

I pledge to model this behavior and encourage others to follow my lead.

I pledge to

- help my family and friends shop for eggs, dairy, and meat products that are American Humane Certified, which means the animals were raised humanely.
- promote pet adoption from shelters or humane breeders.
- remind families to include pets in their personal disaster plans.
- ask my family and friends to look for the end-credit "No Animals Were Harmed"® when watching movies and television.
- visit certified and accredited zoos, aquariums, and conservation centers where endangered and disappearing animals are given the chance to continue to exist.
