IMPORTANT

It is the **Producer's responsibility** to notify the American Humane Association when a production is using animals. American Humane will not be able to assist your production without the following information.

Please complete this form and fax or e-mail it back to us IMMEDIATELY.

➔ In addition to the information below, we require the following paperwork (including revisions) from your production:

★ Script/Storyboards

★ Full Shooting Schedule

★ Call sheets for each day in which animals are used (coversheet not necessary)

★ Crew list

★ Oneline Schedule

Note: A fee for service is charged to Non-Union productions. Please call us to discuss if your production is Non-Sag and/or Non-AFTRA

Production/Ad Agency SAG/AFTRA Signatory?	Yes	No	SAG Actors?	Yes	No	AFTRA?	Yes	No
