Sponsorship Opportunities
Every Day Is Tag Day™

American Humane has long advocated the use of identification tags for pets. According to a study by the National Council on Pet Population, about 3.7 out of the nearly 7 million cats and dogs that enter shelters each year are euthanized. Sadly, only about 17% of lost dogs and 2% of lost cats that enter shelters ever find their way back home. By observing this day, we can help improve these statistics. Every Day Is Tag Day unites thousands of individuals, plus professionals in shelters, veterinary clinics, animal care and control agencies, and other humane agencies, in the common goal of educating pet owners about the benefits of tagging or microchipping their companion animals. Becoming a sponsor for this important event will help us ensure that more lost pets find their way home.
